Company Name	Buschhoff GmbH & Co.	
Company Location	Ahlen, Germany	
Visit Location	The company and a farm	
Area of Specialization	<p>Buschhoff company is founded on 1873. In April 1998 they moved to their new premises at the Olfetal industrial zone of Ahlen - state-of-the-art equipped and prepared for future challenges. Built on an industrial lot of ca. 11.000 m². The large, well-lit workshop building alone has a floor area of 4.000 m². Using modern, multi-purpose tools and machinery they manufacture these products which earned Buschhoff's reputation as a leading maker of equipment for grain and feed processing.</p> <p>Conveying and Storage Technology for industrial and agricultural fields is one of the main products of this company. Today Buschhoff produces state-of-the-art fully-automatic systems for grain conveyance and storage systems. There is a common denominator for all Buschhoff conveyors: reliable and secure moving of the concerned materials.</p> <p>Milling and Mixing technology is another service of this company which includes wide variety of stationary and mobile plants.</p>
