- Regcode: 462000

Company Name	The Federation of Belgian Meat (FEBEV)	
Company Location	Brussels, Belgium	
Appointment Location	Main Office, Company facilities	
Field of activity	<p>The Federation of Belgian Meat (FEBEV) is the national organization representing the interests of meat producers, processors, and wholesalers in Belgium. Located in Brussels, FEBEV advocates for sustainable practices within the meat industry and promotes Belgian meat products both domestically and internationally. The federation focuses on ensuring quality standards, food safety, and animal welfare across the meat supply chain. They provide valuable resources, including research and training programs, to enhance the skills and knowledge of industry stakeholders. FEBEV also actively engages in dialogue with government bodies to influence policies affecting the meat sector.</p>

Company Name	Hemelaer nv	
Company Location	Antwerp, Belgium	
Appointment Location	Main Office, Slaughterhouse, Meet-processing facilities	
Field of activity	<p>Hemelaer nv is a prominent company in the Belgian livestock sector, specializing in the breeding and trading of high-quality cattle. Established in Antwerp, the company focuses on enhancing the genetic quality of livestock through selective breeding programs. Hemelaer nv emphasizes sustainable farming practices and animal welfare, ensuring that their cattle are raised in optimal conditions. They are committed to providing top-notch services to farmers and producers, facilitating the growth of the livestock industry in Belgium. The company provides a wealth of information on their breeding techniques, cattle varieties, and services offered. Hemelaer nv plays a vital role in the Belgian meat supply chain, contributing to the quality and safety of beef products.</p>
